To whomever this may concern , I am a resident in south park district and over saw two of your (Officers (Jesus & Leon) that had a young teenager, providing care and safety for this child. They provided excellent service by waiting with him until child services arrived to find this kid a home. This situation was close to home , and I am extremely happy we have officers like them on the field providing great service to our community . They always handle situations very professionally and that plays a huge factor in safety . Thank you very much making my community a better place to live in.
